DIE WAHRE GESTALT DER ERDE

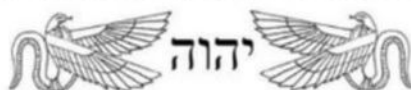

Este mural fue pintado en 1877 por el artista local Juan Manuel de la Cruz, quien lo realizó en honor a la inauguración de la Biblioteca Pública de la Universidad de San Carlos de Guatemala. El mural representa a un estudiante leyendo un libro, simbolizando el acceso al conocimiento y la educación pública. La inscripción en la parte inferior del mural invita a utilizar la biblioteca tanto para fines académicos como para el público en general.
